

An update from Marshall White on COVID-19 Auctions and Inspections

Private inspections are permitted in Victoria, by appointment only. Up to a maximum of 10 people from any number of households are able to attend an inspection, excluding the owners/residents and real estate agent. Social distancing practices must be followed throughout. Hand sanitiser will be provided by the agent however we encourage clients to refrain from touching household items during the viewing. We ask that clients not attend inspections if they show any signs of fever or flu-like symptoms.

Live auctions are able to take place outdoors with a maximum of 10 registered bidders, plus the minimum number of people required to conduct the auction and the owners and/or residents of the property. Please contact our agents to make your interest in any of our listed properties known to us.

Marshall White offices are closed but we are still available to provide you with any support or guidance you may require. We have adapted our processes to ensure that we can continue to safely meet your needs. Our commitment to our clients remains unchanged and we continue to deliver outstanding results in helping people achieve their property goals.

These times are unprecedented, and we are mindful of the community's health concerns and the stresses associated with all property dealings at this time.

We wish you and those close to you the best of health and please contact our office should you have any questions.
