

An update from Marshall White on COVID-19 Auctions and Inspections

Consistent with Department of Health directions announced on Thursday 16th September 2021, inspections are to be conducted by private appointment only, with condition that the property is vacant at the time of the inspection, including the agents. All auctions continue to be conducted virtually only, with the exception of settlements or end of a leasing agreements.

We have adapted our processes to ensure that we can continue to safely meet your needs. Our commitment to our clients remains unchanged and we continue to deliver outstanding results in helping people achieve their property goals.

These times are unprecedented, and we are mindful of the community's health concerns and the stresses associated with all property dealings at this time.

Our Agents and Property Managers are always available via email and phone for any support or guidance you may require. On our website you will find access to our most current business updates and resources and emergency contacts for all areas of our business.

We wish you and those close to you the best of health and please contact our office should you have any questions or need further assistance.
